In the spaces below, draw what you are asking, seeking and looking to find

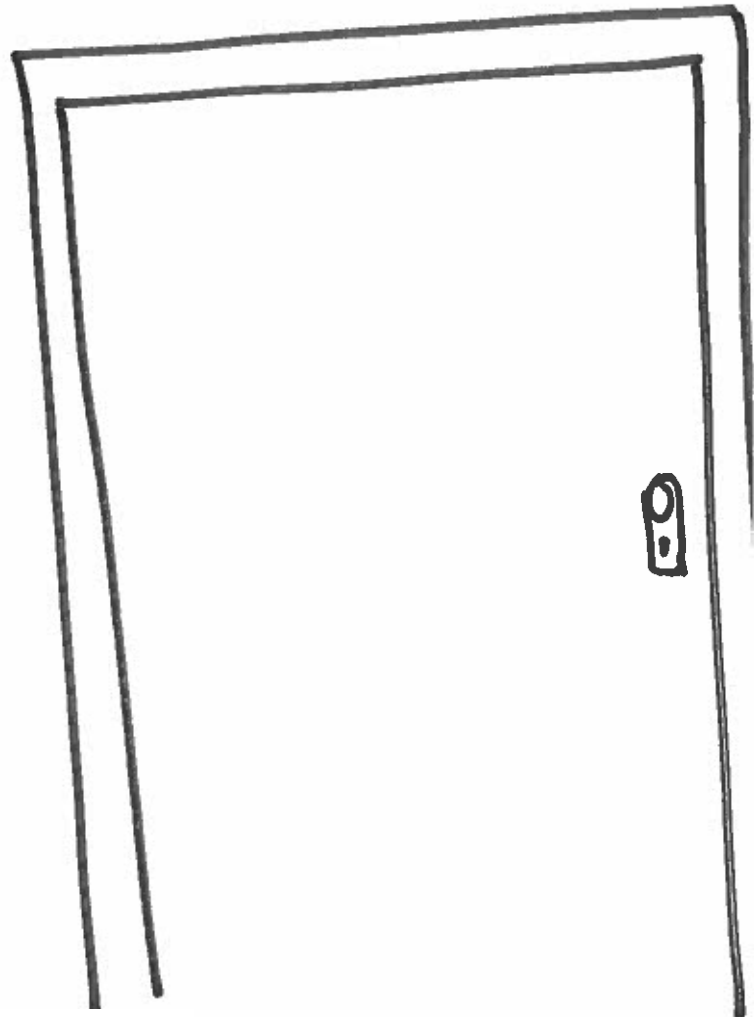

What are you ...

...asking God for?

...seeking for?

...knocking at the door for?

IT'S YOUR TURN:

① take time to talk about going to God, do they have anything they want to ask God?

② Be creative. wrap a present and address it from God

③ Pray together. Pray about what you've talked about and how to go to God with our requests.
